

E-Commerce: Returns & Refunds Policy

Standard Return Policy We want you to love your purchase! If you are not completely satisfied, we accept returns on most items within 30 days of the original purchase date. To be eligible for a full refund, the item must be successfully delivered and in your possession. We cannot process refunds for items that are currently in transit.

Electronics & Tech Accessories Please note that items in our Electronics category are subject to a stricter return window. Due to the nature of these products, electronics must be returned within 14 days of the purchase date. Requests made after 14 days will not be accepted.

Clearance & Final Sale Items We do not offer refunds, exchanges, or store credit for items purchased on clearance or marked as "Final Sale." These purchases are strictly non-refundable under all circumstances.

How Refunds are Processed Once our support team validates your request against our policy guidelines, your refund will be processed immediately to your original payment method. Please note that our customer service agents are required to strictly adhere to these policies and cannot grant exceptions for expired return windows or final sale items.
